SET A

Instructions

- The 100 mark exam duration is **100 minutes (1 hour and 40 minutes)**
- **IMPORTANT : Please put your Hall Ticket number, Name, and Set Identification on the answer sheet**
- There are **81 questions** in two sections for a total of 100 marks
 - SECTION 1: **1 marks** each (62 questions adding up to **62 marks**)
 - SECTION 2: **2 marks** each (19 questions adding up to **38 marks**)
 - There is **NO** negative marking
- The rough work should be done on separate paper provided.
- Most questions are multiple choice. **With a pen, fill the correct answer in the answer sheet separately provided.**
- Since some students might see visual questions for the first time, here is an example of a visual question

Example of Visual question: Fill in the white square with the figure that most logically fits in from the four figures (a,b,c,d)

Answer:

The correct answer is **(d)** since each row has a diamond, plus sign and dark circle on top of each figure. The blank square should have a plus sign on top of it. Also, each row has two white and one dark figures. The blank square should have a white figure. Hence the white square with the plus on top of it is the correct answer

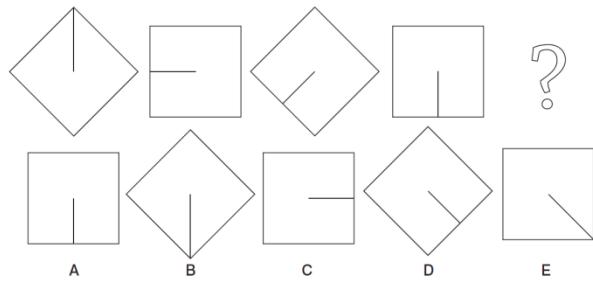

ALL THE BEST !!
